

Your brand in a first-class setting

Zurich Airport

Rent a promotional space at Zurich Airport and present your brand to the world. In the Airside Center we offer a number of possibilities to stage your brand and products effectively in a high-quality shopping ambience. Make use of the relaxed moments and ample time that passengers have after passing through the security check to draw attention to your company. We will be pleased to advise you on your own individual promotion – please contact us.

Your promotion at Zurich Airport – the advantages

- An exclusive ambience in a high-footfall location with duty-free shops, fine dining and other services (only accessible with a flight ticket)
- An affluent, international target group (departing and transfer passengers) that is eager to spend
- Individual staging of your brand and products, for example with testing, tasting or personalised products
- Various locations in the Airside Center Level 1 or 2
- Promotional spaces from 6 to 120 m²
