

# Staff parking products

FOR EMPLOYEES AT THE AIRPORT

## Access

(valid for all products)

- When accessing the airport, please pay attention to the white signs of the parking guidance system for employees (see illustration).
- Parking facilities indicated as closed (illuminated cross) cannot be used. In the example above, the parking p6 and the P13 outdoor parking lot would be available.

**The following applies to all products, except prepaid cards**

### Important:

- Never insert card (always contactless).
- Handle card carefully and protect from heat.
- A fee of CHF 50.– will be charged in case of card loss.
- If you forget your card: Press the call button at the parking barrier and follow the instructions.
- Always use your own card. If a new parking ticket is taken at the barrier, the public parking fee must be paid.

# Staff value card

FOR EMPLOYEES AT THE AIRPORT

## Entering the car park

Insert value card.

Remove the value card again  
(parking time counts from now on).

## Exit the parking garage

Insert value card.

Remove the value card again  
(if the parking time has not yet been used up).

## Pay parking fees (for longer parking periods):

Insert the value card at the pay station.

Follow the instructions on the display for the  
payment process.

Payment can also be made directly at the  
exit barrier by credit card.

### **Important:**

The value card is valid from the first use (entry) only for the defined maximum parking duration (shown on the ticket). Until the expiry of the parking period, the value card can be used several times for entry and exit.
